Hi Thomas,

I'm writing to let you know I received your call about getting services from RSC/. Email is fine, but do you have video Relay or a TTY? Sometimes we may need to talk.

The first thing we need to do is set up an initial meeting in order to open your case. I can meet with you at my office downtown on either on Tuesday 8/4/09 @ 3:00pm or on Wednesday 8/5/09 @ 11:00am or 2:00pm. The meeting will be about 1 ½ hours long and I will need you to bring a photo ID, your most recent eye report (within 1 year), and filled out forms that will be sent to you once the meeting date has been set. RSC will pay for parking if you park in the lot on 7th between Plum and Elm.

Let me know if either of these times will work for you and I look forward to meeting you!

Hi Thomas,

I actually don't have a TTY, and my videophone is unavailable right now. However, you can contact me through Sorenson IP Relay. My number is (866) 994-3814. Just dial on a voice phone and ask for Thomas. If I don't answer and it's important, please call me at 513-612-8453 and leave a message with your phone number. It will send me a text saying to call you and I will. That is also a text line so if you want to just text me directly and say call me you can.

The first thing we need to do is set up an initial meeting in order to open your case. I will have to talk to my dad about when to meet. I have a state ID and vision report from the Ohio State School for the Blind of April of this year. It should be fine. I will need an interpreter for this meeting and you can arrange one by calling the Cincinnati Hearing Speech and Deaf Centre at (513) 221-0527. The interpreter coordinator's name is Meg Deckert, I believe, unless it's changed. I will let you know when I can meet then you can set up an interpreter.

You can send me the forms at:

Same to you

I've locked 8/4 at 3pm into my calendar. An initial interview packet is being sent out to you with some forms and information included. I have also invited an interpreter.

Look forward to meeting you!
